

\$549,900 - 620 55 Street Se, Calgary

MLS® #A2205328

\$549,900

3 Bedroom, 2.00 Bathroom, 1,126 sqft
Residential on 0.12 Acres

Penbrooke Meadows, Calgary, Alberta

Welcome to this meticulously maintained and extensively upgraded home located on a quiet, family-friendly street in the desirable community of Penbrooke. Offering over 2,000 sqft of professionally developed living space. From the moment you arrive, you'll notice the excellent curb appeal thanks to new siding, triple-glazed windows (80% replaced), and a thoughtfully landscaped yard complete with sprinkler system. Step inside and enjoy the comfort of central air conditioning, granite countertops, a high-efficiency furnace with new ductwork, and on-demand hot water. The home also features all new copper plumbing lines, ensuring peace of mind for years to come.

The main level is bright and open, featuring a modern white kitchen with granite countertops, a generous dining area perfect for hosting large gatherings, and a welcoming living room. 2 large bedrooms and a 4pc bathroom complete this floor. If you're considering an open-concept layout, engineer reports are available to support removing the wall between the kitchen and living room.

The lower level has been recently and professionally developed with permits, including the installation of a steel beam (engineered and permitted) to remove teleposts—creating a functional, open layout. Large oversized windows flood the basement with natural light, and additional insulation in the ceiling creates an effective sound barrier between floors. The spacious laundry and rec

room, offer the potential to be converted into a second kitchen, with rough-ins already in place, providing a great opportunity for a future legal or illegal suite. The oversized basement bedroom could also be converted into two separate bedrooms, with two large egress windows already in place. There is also tons of storage under the stairs with doors on opposite ends for ease of access.

The oversized 21' x 24' double garage is heated (with a new furnace) and includes a 60 amp panel and 220V service, ideal for power tools or workshop needs. There's also a rear gate for convenient RV parking. Enjoy evening BBQ's in your large east facing backyard that is complete with patio.

Backing directly onto a beautiful park, and just minutes from schools, shopping, restaurants, and major roadways, this home offers incredible value in a prime location.

Don't miss your opportunity to own a move-in-ready, thoughtfully updated home with endless potential!

Built in 1972
